Top 5 Priorities

1. Water Quality
2. Weed & Pest Control
3. Water Resources & Quantity
4. Soil Erosion & Health
5. District Operations

FY 2018 Revenue

State	\$11,300.00
County	\$ 2,200.00
Match Funds	\$ 2.661.29

Our District planned on celebrating our 75th Anniversary this year but because of the pandemic, we had to postpone our plans. We will plan on doing it next year with a Farm Tour and Reception.

We had to cancel the Water Education Day in Shelley that has been put together by Idaho Power, Fish & Game, Eastside & Westside Conservation Districts, and North Bingham. We will continue to participate in Education and Outreach when it is again allowed.

We have several plans to work on weed removal projects. We are working on a chemical reimbursement program for producers.

We are also looking for funding for Juniper removal. IDL has been very active in our area we would like to see some of those monies put to work in our District. We will be working with our County Officials to update the CWPP so that funds are available locally.
